

# JEFF BLASNITZ

Alma, KS

(402) 490-7730

jsblas2@netscape.net

**OBJECTIVE** Pursue cyber security, computer forensics or intelligence analysis opportunities which can be accomplished primarily via remote employment from Alma, KS.

## EXPERIENCE

9/95 – 9/15

### ***FEDERAL BUREAU OF INVESTIGATION***

**Special Agent** (Retired 9/2015)

- **2008 to 2015** Special Agent - Omaha FBI Cyber Crimes Task Force – National Security Cyber Intrusions Investigator. Conducted investigations into cyber attacks by Foreign Intelligence Services (FIS) and Foreign State Sponsored actors. Conducted data intercepts, packet analysis and malware analysis operations in support of those investigations. Investigations included Intelligence reporting established through data collection, traffic analysis and open source analysis;
- **2003 to 2008** Certified Technically Trained Agent. Certified through the Interagency Training Center (ITC) in Technical Surveillance Countermeasures (TSCM). Conducted technical surveillance operations for criminal and national security investigations which included the overt and covert installation and use of audio, video and data intercept collection equipment. Conducted domestic and overseas TSCM investigations to detect and eliminate surreptitious technical penetrations/attacks by Foreign Intelligence Services.
- **1999 to 2003** Certified FBI Computer Forensics Examiner. Lead the OKC FBI Computer Analysis Response Team (CART). Conducted computer forensic examinations for criminal and national security cases including computer systems that had a nexus to the 911 terrorist attacks.
- **1995 to 1999** After contributing to the Oklahoma City bombing investigation, conducted International Terrorism and Foreign Counterintelligence Investigations. Conducted investigations primarily into Middle East terrorist organizations, one of which culminated in the arrest of a subject in the United States developing targets for bombings and numerous other cases which involved terrorist fundraisers.
- **1995** Graduated from the FBI Academy at Quantico, VA as a FBI Special Agent.
- Held Top Secret security clearance with SI access and a DOE Q clearance for FBI computer forensic investigations with a nexus to DOE.

**2/84 - 4/92**

**HONEYWELL/ALLIED-SIGNAL AEROSPACE**, Kansas City, MO

**Technical Surveillance Countermeasures (TSCM). Investigator.**

- TSCM Investigations - Certified and trained at the DOE Technical Security Resource Center (TSRC) in Richland WA to conduct TSCM operations, including TSCM surveys, inspections and investigations.
- Lead the TSCM team in implementation and execution of Allied-Signal's new TSCM policy. Assisted in the drafting and implementation of the Allied-Signal TSCM policy in its early stages.
- Held a DOE "Q" security clearance while working for this prime contractor for DOE.

**6/88 - 2/95**

**UNITED STATES ARMY (Reserve)**

**Counterintelligence Agent.**

- Military Intelligence Special Agent (U.S. Army)
- DOD "Top Secret" Clearance with SI access.

**5/78 - 6/88**

**UNITED STATES MARINE CORPS (Active and Reserve)**

**Intelligence Analyst, SSgt**

- Provided support to the National Security Agency (NSA) on two occasions during military reserve operations. Provided leadership and supervision for military subordinates both while on active duty and in the reserves.
- SIGINT Operations.**
- Conducted operations in both strategic and tactical arenas - received a Meritorious Unit citation for SIGINT contributions made overseas during the cold war. Numerous meritorious promotions received. Continued to support strategic operations in SIGINT collection and analysis after active duty.

**EDUCATION/TRAINING**

**Central Missouri State University (CMSU)**, Warrensburg, MO

Graduated *Cum Laude* with a B.S. Criminal Justice and a Minor in Electronics Technology. CMSU Dean's list.

**HONORS, AWARDS & CERTIFICATES**

**Current Cyber Security Certificates:**

ICS-CERT – ICS Cybersecurity 301 6/2014  
GIAC Web App Penetration Tester (GWAPT) 03/31/2019 exp  
GIAC Industrial Cyber Security Professional (GICSP) 06/30/2018 exp  
GIAC Security Leadership (GSLC) 08/31/2018 exp  
GIAC Information Security Professional (GISP) 02/28/2018 exp  
GIAC Security Essentials Certification (GSEC) 12/31/2017 exp  
GIAC Certified Perimeter Protection Analyst (GPPA) 01/31/2020 exp  
GIAC Certified Intrusion Analyst (GCIA) 09/30/2018 exp  
GIAC Certified Incident Handler (GCIH) 08/31/2019 exp  
CompTIA - Network + (exp 2014)

CompTIA - Security + (No expiration)

Transcripts for training completed with the FBI are available upon request

**Honors & Awards**

DDII National Intelligence Professional Award (2014)

Honor Graduate, Army Counterintelligence Agents Course

Honor Graduate, Electronics Institute

Honor Graduate, Naval Technical Training Center (Intelligence Field)

Honor Graduate, Army Primary Leadership Development Course

Meritorious Unit Commendation (USMC)

Army Achievement Medals (2)

Samuel F.B. Morse Award (USMC)

Graduated Cum Laude, CMSU, B.S. Criminal Justice - Electronics Minor

CMSU Regents Graduate Student Scholarship

Research paper published in Alpha Phi Sigma Journal

CMSU Dean's List

National Criminal Justice Honor Society, Alpha Phi Sigma
